

Size chart browbands

Browband sizes

Measured from end to end, excluding special shapes.

Shetland: 35 cm

Pony: 38 cm

Cob: 40 cm

Full: 42 cm

Extra Full: 44 cm

How to pick the right size

The easiest way is to measure a well fitting browband. Should this not be possible, measure from ear to ear where the browband would sit and pick the size which is a little larger than that.
